Hey, I bought item "Hip Hop Street Style Turtle neck Embroidered Solid Hoodie" for **3XL**, but got **SMALL**. I am a big dude, 6'3, and I can't even put on the hoodie I got. Can I please get a **3XL size**? This is irritating. I waited 3 whole weeks for this hoodie and someone on your end had to fuck it up.

I would either like a refund or for you guys to send me the correct size

Yes, in fact I made a video about it. Sorry for the late reply, I just moved and was trying to find the original bag, but could not find it. Here are files, where I compare

a XXL, to the hoodie, as well as images

Dear Customer,

Thank you for your reply.

We apologize, but since each garment has different sizing standards, this item may not fit you properly.

We are very sorry that our product is not suitable for you and brought you a bad experience.

If you need an exchange or refund, please follow the process below:

1. The return cost should be afforded by customer.

2. Please keep the original package covered by plastic bag or others for returning.

(Ps: Don't attach any label, note or sticky material like tape around the original box when returning.)

3. Please write your order number on the paper.

4. Then return the item with original packing to return address below: after shipped pls provide the tracking number for us to track.

Recipient: Wang Qin

Address: E8-1 704, E Zone, Tianfu Software Park, Guixi Street, Wuhou District

City: Chengdu

Phone number: 17323110673

After we receive the items and check that there is no problem, we will refund you or reissue the size you need.

Note: The package needs to be sent within 7 days, and it does not mean that it must be delivered to us within 7 days. We recommend customers to go to the local post office to send the package (this will help to avoid tariffs as much as possible), and the shipping fee may be more favorable.

However, you are first time to our website, I would like to provide other solutions for you in order to avoid extra cost:

If the product has no big issue and you can reserve it or use it as a gift to your friends or donate it. In this case, we will refund \$8.75 (25% of product value) to you and no need for return from you.

Which option do you prefer? Looking forward to your reply, we are glad to assist you further.

Best regards,
